PARTIAL CONSENT DECREE WITH GERDAU AMERISTEEL US INC.

I. BACKGROUND

A. On July 1, 2002, the United States filed a complaint in *United States v. American Cyanamid, et al.*, No. 1:02-CV-109-1 (WLS), against various parties pursuant to Sections 107 and 113(g)(2) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended ("CERCLA"), 42 U.S.C. §§ 9607 and 9613(g)(2), seeking reimbursement, pursuant to CERCLA Section 107, of the costs incurred and to be incurred by the United States in responding to releases and threats of releases of hazardous substances at the Stoller Chemical Company/Pelham Phosphate Company Superfund Site ("Stoller/Pelham Site" or "Site"), in Pelham, Mitchell County, Georgia. AmeriSteel (now known and thus referred to herein as "Gerdau Ameristeel US Inc.") was among the defendants named in that complaint.

B. On August 6, 2003, the United States filed a complaint in *United States v. Midcontinent Commodity Exchange, Inc.*, No. 1:03-CV-122-3 (WLS), pursuant to CERCLA Sections 107 and 113(g)(2), 42 U.S.C. §§ 9607 and 9613(g)(2), in which the United States also seeks to recover, pursuant to CERCLA Section 107, the costs incurred and to be incurred by the

United States in responding to releases and threats of releases of hazardous substances at the Site. Simultaneous with the filing of the complaint against Midcontinent Commodity Exchange, Inc., the United States moved to consolidate that case (No. 1:03-CV-122-3) with *United States v. American Cyanamid, et al.*, No. 1:02-CV-109-1 (WLS). The Court granted the United States' motion on March 1, 2004. On the same date, the United States filed an amended complaint in the consolidated case.

C. Settling Defendant does not admit any liability to Plaintiff arising out of the transactions or occurrences alleged in the complaints, and disputes the factual and legal basis for the United States' claims.

D. The United States and Settling Defendant agree, and this Court by entering this Partial Consent Decree finds, that this Partial Consent Decree has been negotiated by the Parties in good faith, that settlement of this matter will avoid prolonged and complicated litigation between the Parties, and that this Partial Consent Decree is fair, reasonable, and in the public interest.

THEREFORE, with the consent of the Parties to this Decree, it is ORDERED, ADJUDGED, AND DECREED:

paid upon demand. All penalties shall begin to accrue on the day after payment is due, and shall continue to accrue through the date of payment. Nothing herein shall prevent the simultaneous accrual of separate penalties for separate violations of this Partial Consent Decree.

7. If the United States brings an action to enforce this Partial Consent Decree, Settling Defendant shall reimburse the United States for all costs of such action, including but not limited to costs of attorney time.

8. Payments made under Paragraphs 5-7 shall be in addition to any other remedies or sanctions available to Plaintiff by virtue of Settling Defendant's failure to comply with the requirements of this Partial Consent Decree.

9. Notwithstanding any other provision of this Section, the United States may, in its unreviewable discretion, waive payment of any portion of the stipulated penalties that have accrued pursuant to this Partial Consent Decree.

VII. COVENANT NOT TO SUE BY PLAINTIFF

10. Covenant Not to Sue by United States. Except as specifically provided in Paragraph 11 (Reservation of Rights by United States), the United States covenants not to sue Settling Defendant pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), to recover Past Response Costs. This covenant not to sue shall take effect upon receipt by EPA of all payments required by Section V, Paragraph 4 (Payment of Past Response Costs to the EPA Hazardous Substance Superfund) and Section VI, Paragraphs 5 (Interest on Late Payments) and 6(a) (Stipulated Penalty). This covenant not to sue is conditioned upon the satisfactory performance by Settling Defendant of its obligations under this Partial Consent Decree. This covenant not to sue extends only to Settling Defendant and does not extend to any other person.

11. Reservation of Rights by United States. The covenant not to sue set forth in Paragraph 10 does not pertain to any matters other than those expressly specified therein. The United States reserves, and this Partial Consent Decree is without prejudice to, all rights against Settling Defendant with respect to all other matters, including but not limited to:

- a. liability for failure of Settling Defendant to meet a requirement of this Partial Consent Decree;
- b. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments;
- c. criminal liability;
- d. liability for injunctive relief or administrative order enforcement under Section 106 of CERCLA, 42 U.S.C. § 9606; and
- e. liability for costs to be incurred by the United States that are not within the definition of Past Response Costs.

VIII. COVENANT NOT TO SUE BY SETTLING DEFENDANT

12. Settling Defendant covenants not to sue and agrees not to assert any claims or causes of action against the United States or its contractors with respect to Past Response Costs or this Partial Consent Decree, including but not limited to:

- a. any direct or indirect claim for reimbursement from the Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;
- b. any claim arising out of response actions at the Site for which the Past Response Costs were incurred; and

c. any claim against the United States pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, relating to Past Response Costs.

13. Nothing in this Partial Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. § 300.700(d).

IX. EFFECT OF SETTLEMENT/CONTRIBUTION PROTECTION

14. Nothing in this Partial Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Partial Consent Decree. Each of the Parties expressly reserves any and all rights (including, but not limited to, any right to contribution), defenses, claims, demands, and causes of action which each Party may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto.

15. The Parties agree, and by entering this Partial Consent Decree this Court finds, that Settling Defendant is entitled, as of the effective date of this Partial Consent Decree, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), for “matters addressed” in this Partial Consent Decree. The “matters addressed” in this Partial Consent Decree are Past Response Costs.

16. Settling Defendant agrees that, with respect to any suit or claim for contribution brought by them for matters related to this Partial Consent Decree, it will notify EPA and DOJ in writing no later than 60 days prior to the initiation of such suit or claim. Settling Defendant also agrees that, with respect to any suit or claim for contribution brought against it for matters related to this Partial Consent Decree, it will notify EPA and DOJ in writing within 10 days of

service of the complaint or claim upon it. In addition, Settling Defendant shall notify EPA and DOJ within 10 days of service or receipt of any Motion for Summary Judgment, and within 10 days of receipt of any order from a court setting a case for trial, for matters related to this Partial Consent Decree.

17. In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, recovery of response costs incurred after the effective date of this Partial Consent Decree, and/or other relief relating to the Site, Settling Defendant shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, *res judicata*, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenant Not to Sue by Plaintiff set forth in Section VII.

X. RETENTION OF RECORDS

18. Until five years after the entry of this Partial Consent Decree, Settling Defendant shall preserve and retain all records and documents now in its possession or control, or which come into its possession or control, that relate in any manner to response actions taken at the Site or the liability of any person for response actions conducted and to be conducted at the Site, regardless of any corporate retention policy to the contrary.

19. After the conclusion of the document retention period in the preceding Paragraph, Settling Defendant shall notify EPA and DOJ at least 90 days prior to the destruction of any such records or documents, and, upon request by EPA or DOJ, Settling Defendant shall deliver any such records or documents to EPA. Settling Defendant may assert that certain documents,

records, or other information are privileged under the attorney-client privilege or any other privilege recognized by federal law. If Settling Defendant asserts such a privilege, it shall provide Plaintiff with the following: (1) the title of the document, record, or information; (2) the date of the document, record, or information; (3) the name and title of the author of the document, record, or information; (4) the name and title of each addressee and recipient; (5) a description of the subject of the document, record, or information; and (6) the privilege asserted. However, no documents, reports, or other information created or generated pursuant to the requirements of this or any other Partial Consent Decree with the United States shall be withheld on the grounds that they are privileged. If a claim of privilege applies only to a portion of a document, the document shall be provided to Plaintiff in redacted form to mask the privileged information only. Settling Defendant shall retain all records and documents that it claims to be privileged until the United States has had a reasonable opportunity to dispute the privilege claim and any such dispute has been resolved in Settling Defendant's favor.

20. By signing this Partial Consent Decree, Settling Defendant certifies that, to the best of its knowledge and belief, it has:

a. conducted a thorough, comprehensive, good faith search for documents, and has fully and accurately disclosed to EPA, all information not subject to the attorney-client privilege and/or the attorney work product doctrine currently in its possession, or in the possession of its officers, directors, employees, contractors or agents, which relates in any way to the ownership, operation or control of the Site, or to the ownership, possession, generation, treatment, transportation, storage or disposal of a hazardous substance, pollutant or contaminant at or in connection with the Site;

b. not altered, mutilated, discarded, destroyed or otherwise disposed of any records, documents or other information relating to its potential liability regarding the Site, after notification of potential liability or the filing of a suit against Settling Defendant regarding the Site; and

c. fully complied with any and all EPA requests for information regarding the Site pursuant to Sections 104(e) and 122(e) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e).

XI. NOTICES AND SUBMISSIONS

Whenever, under the terms of this Partial Consent Decree, notice is required to be given or a document is required to be sent by one party to another, it shall be directed to the individuals at the addresses specified below, unless those individuals or their successors give notice of a change to the other Parties in writing.
